Introduction. J. Slíva	S1
-------------------------------	-----------

Reviews

Important role of mitochondria and the effect of mood stabilizers on mitochondrial function. M. Lupták, J. Hroudová (<i>Dept. Pharmacol., First Fac. Med., Charles Univ. and General Univ. Hosp., Prague, Czech Republic</i>)	S3
--	-----------

A new strategy for the treatment of atherothrombosis – inhibition of inflammation. J. Slíva, C. Charalambous, J. Bultas, D. Karetová (<i>Dept. Pharmacol., Third Fac. Med., Charles Univ., Prague, Czech Republic</i>)	S17
---	------------

Original Articles

Acute medication poisoning causing hospital admissions in childhood: a 3-year prospective observational single-center study. P. Matalová, M. Poruba, M. Wawruch, P. Ondra, K. Urbánek (<i>Dept. Pharmacol., Fac. Med. Dentistry, Palacký Univ., Olomouc, Czech Republic</i>)	S31
---	------------

The effect of combined diet containing n-3 polyunsaturated fatty acids and silymarin on metabolic syndrome in rats. M. Poruba, P. Anzenbacher, Z. Racova, O. Oliyarnyk, M. Hüttl, H. Malinska, I. Markova, S. Gurska, L. Kazdova, R. Vecera (<i>Dept. Pharmacol., Fac. Med. Dentistry, Palacký Univ., Olomouc, Czech Republic</i>)	S39
---	------------

β-caryophyllene oxide and <i>trans</i>-nerolidol affect enzyme activity of CYP3A4 – <i>in vitro</i> and <i>in silico</i> studies. A. Špičáková, V. Bazgier, L. Skálová, M. Otyepka, P. Anzenbacher (<i>Dept. Pharmacol., Fac. Med., Palacký Univ., Olomouc, Czech Republic</i>)	S51
--	------------

Epidural analgesia with sufentanil in relation to <i>OPRM1</i> and <i>ABCB1</i> polymorphisms. O. Bartošová, O. Polanecký, R. Šachl, I. Štenglová Netíková, F. Perlík, S. Adámek, R. Lischke, O. Slanař (<i>Inst. Pharmacol., First Fac. Med., Charles Univ. and General Univ. Hosp., Prague, Czech Republic</i>)	S59
--	------------

Efficacy and tolerability of injectable collagen-containing products in comparison to trimecaine in patients with acute lumbar spine pain (Study FUTURE-MD-Back Pain). K. Pavelka, H. Jarosova, L. Milani, Z. Prochazka, P. Kostiuk, L. Kotlarova, A. M. Meroni, J. Sliva (<i>Inst. Rheumatol., Prague, Czech Republic, Third Fac. Med., Charles Univ., Prague, Czech Republic</i>)	S65
--	------------

Study of anti-inflammatory activity of Fatsiphloginum™ (<i>Fatsia japonica</i>) and a new purified triterpene-rich extract of saponins (PS-551) in experimental model of arthritis. L. Tsiklauri, F. Drafi, S. Poništ, L. Slovák, M. Chrastina, K. Švík, Z. Kemoklidze, E. Kemertelidze, K. Bauerová (<i>Iovel Kutateladze Pharmacochem. Inst., TSMU, Tbilisi, Georgia, Inst. Experim. Pharmacol. Toxicol., Ctr. Experim. Med., Slovak Acad. Sci., Bratislava, Slovak Republic</i>)	S75
--	------------

Is computer-assisted aminoglycoside dosing managed by a pharmacist a safety tool of pharmacotherapy? E. Dvořáčková, P. Pávek, B. Kováčová, J. Rychlíčková, O. Suchopár, M. Hojný, J. D. Tebbens, J. Vlček (<i>Dept. Social Clin. Pharmacy, Fac. Pharmacy, Charles Univ., Hradec Králové, Czech Republic</i>)	S87
---	------------

Non-traditional administration of remifentanil in an experimental setting. A. Kurzová, J. Málek, L. Hess, M. Jaček, J. Slíva (*Dept. Anesthesiol. Resuscit., Third Fac. Med., Fac. Hosp. Královské Vinohrady, Prague, Czech Republic, Dept. Pharmacol., Third Fac. Med., Charles Univ., Prague, Czech Republic*) **S97**
