

Proceedings of the 25th Conference on Laboratory Animals Science

*May 13 – May 15, 2024
Třebíč, Czech Republic*

The 25th Conference on Laboratory Animals Science, organized by the Czech Laboratory Animal Science Association (Společnost pro vědu o laboratorních zvířatech), was held on May 13 - 15, 2024, at Hotel Atom, Třebíč, Czech Republic. More than 110 scientists, veterinary experts, representatives of biomedical research organizations, universities and animal welfare authorities participated in the meeting. The presented lectures were focused on laboratory animal welfare and protection, new experimental methods and procedures and the current status of alternative *in vitro* methods as replacement of animal experimentation according to the 3Rs principle. Representatives of animal welfare authorities shared information on the implementation and amendments of regulations concerning the protection of animals used for scientific purposes.

Abstracts are presented in the alphabetical order of the first author names and are printed without editing in the submitted form. The Editorial Office of Physiological Research disclaims any responsibility for errors that may have been made in abstracts submitted by the authors.
